              **Steve Clark**                            **USBR-Boise Acting Regional Director**  
              **Judith Johansen**                      **BPA-Administrator**  
              **Greg Delwiche**                         **BPA-PG-5**

**FROM:**        **Marv Yoshinaka, Chairperson, Salmon Managers**

**DATE:**        **May 4, 1999**

**SUBJECT:**    **Flow Targets**

### **SPECIFICATIONS:**

Meet, at a minimum, Biological Opinion target flows at Priest Rapids, McNary and Lower Granite dams for the upcoming week (May 10-16). The operating agencies should consider modifying project refill operations to meet the Biological Opinion targets in the event that the flows projected in the May 3, 1999 SSARR do not materialize.
